EXPERIENCE IN THE TILES INDUSTRY

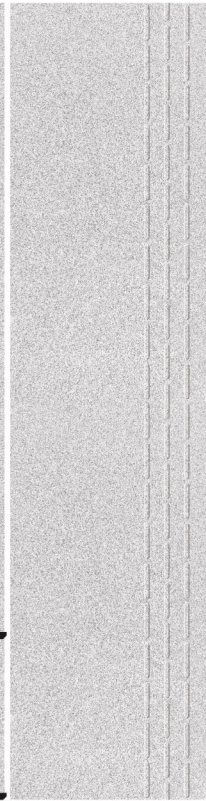

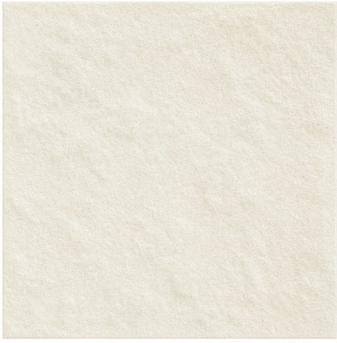

Simolex has become a trusted name known for its commitment to quality. Our customer-first approach ensures we prioritize the needs of every client, offering tailored solutions.

As a leading exporter, we proudly serve markets across multiple countries, providing full-body vitrified tiles that combine durability, elegance, and innovation to transform spaces globally.

Engineered for today's built environment, this range introduces texture variation and tonal richness. Its surfaces deliver strength with a quiet artistic presence, suited for interiors seeking material honesty and visual clarity.

SIZES

Where texture meets intention, this collection celebrates thoughtful design. Each element is designed to integrate effortlessly, enhancing spatial depth and elevating everyday environments.
