COMPANY INTRO

With 16 years of experience in the tiles industry,

Simolex has become a trusted name known for its commitment to quality. Our customer-first approach ensures we prioritize the needs of every client, offering tailored solutions.

As a leading exporter, we proudly serve markets across multiple countries, providing full-body vitrified tiles that combine durability, elegance, and innovation to transform spaces globally.

A modern, multi-story office building with a glass and metal facade. The building is viewed from a low angle, showing its corner and multiple floors of windows. The sky is a clear, light blue. In the foreground, there is a concrete ledge and some green shrubbery.

THE ORIGIN OF A PURE MATERIAL

At Simolex, The Origin of Pure Material begins with the selection of the finest, purest raw materials. We take great pride in using only the highest quality materials, ensuring every tile is a symbol of excellence.

Our Step & Riser tiles are crafted to perfection, showcasing a stunning natural stone look that reflects the raw beauty of nature.

The Natural Punch texture brings depth and character to each tile, mimicking the intricate patterns found in stone while maintaining durability and elegance.

With a focus on purity and sustainability, Simolex tiles not only elevate your space but also bring the strength and timeless appeal of natural materials into your home, with a commitment to quality that lasts a lifetime.

MONOTONE

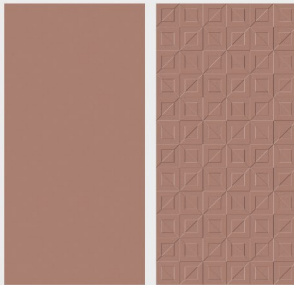

COLLECTION

It is a fullbody collection that blends simplicity with elegance. Available in matt and lapato finishes, it features three punch & seven colors. Each tile reflects modern design, durability and timeless sophistication for contemporary spaces.
