STILL GREY

A PALETTE OF SHADES FOR EVERY DESIGN MOOD

Pixel Collection offers multiple color options to match every space and style. From subtle neutrals to bold tones, each shade enhances patterns, highlights décor, and keeps surfaces looking timeless.

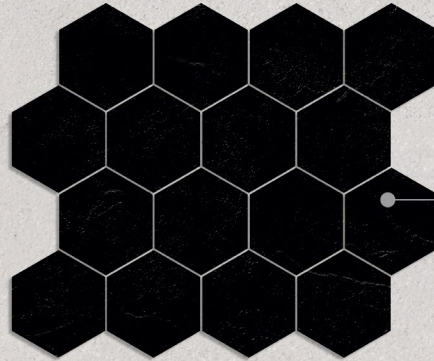

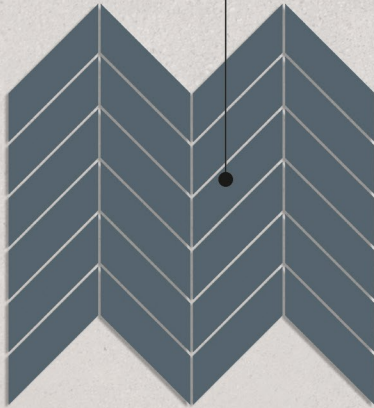

www.simolex.in

Pixel Collection is made for incredible space charm and to highlight the décor. Multiple shades and shapes, precision cut from fullbody tiles, create seamless patterns with sharp edges, lasting strength, and statement ready surfaces.

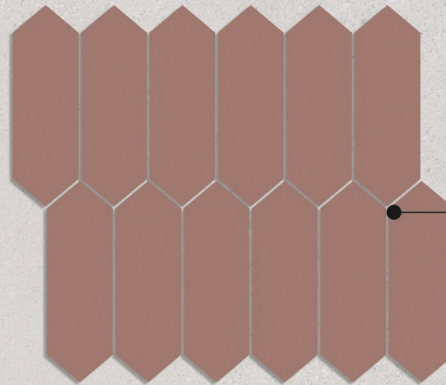

Bold V shaped rhythm that adds movement, depth, and premium flow.

CHEVRON

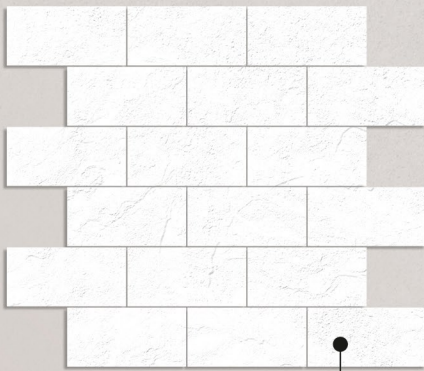

HEXAGONE

Modern honeycomb geometry delivering strong visual impact and seamless patterning.

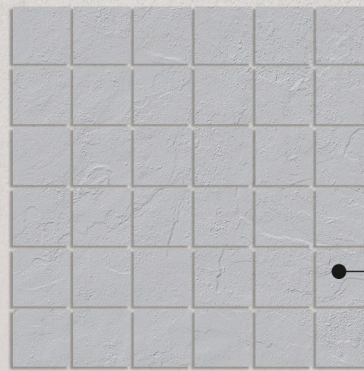

PICKET

Slim elongated facets create elegant texture, height illusion, and refined detailing.

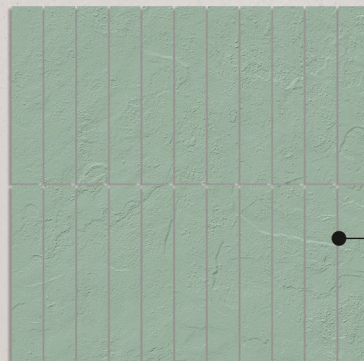

RECTANGLE

Classic brick layout feel with contemporary edge, ideal for long spaces.

SQUARE

Timeless grid balance offering versatility, symmetry, and easy layout alignment.

KITKAT

Linear strips bring clean minimal vibes, perfect for modern feature walls.
