COMPANY INTRO

With 16 years of experience in the tiles industry,

Simolex has become a trusted name known for its commitment to quality. Our customer-first approach ensures we prioritize the needs of every client, offering tailored solutions.

As a leading exporter, we proudly serve markets across multiple countries, providing full-body vitrified tiles that combine durability, elegance, and innovation to transform spaces globally.

THE ORIGIN OF A PURE MATERIAL

At Simolex, The Origin of Pure Material begins with the selection of the finest, purest raw materials. We take great pride in using only the highest quality materials, ensuring every tile is a symbol of excellence.

Our Step & Riser tiles are crafted to perfection, showcasing a stunning natural stone look that reflects the raw beauty of nature.

The Natural Punch texture brings depth and character to each tile, mimicking the intricate patterns found in stone while maintaining durability and elegance.

With a focus on purity and sustainability, Simolex tiles not only elevate your space but also bring the strength and timeless appeal of natural materials into your home, with a commitment to quality that lasts a lifetime.

EMPOWERING SURFACE

The Saga Collection is crafted to bring timeless elegance and enduring strength into modern living spaces. Available in versatile sizes of 600x600mm and 600x1200mm, this range is designed to suit both compact and expansive layouts with ease. The high-polish finish enhances the natural beauty of the surface, creating a luxurious ambiance that reflects sophistication at every glance.

Primarily intended for main flooring applications, Saga Collection tiles elevate interiors with a seamless blend of style and durability. Their diamond shine captures

the charm of natural marble, while delivering unmatched smoothness underfoot. Each tile reflects light beautifully, adding depth and a sense of spaciousness to any room.

Perfect for homes, offices, and premium commercial spaces, the Saga Collection stands as a true statement of refinement. With Simolex craftsmanship, it not only enriches spaces but also ensures lasting performance and aesthetic appeal.
